Procedures for Testifying

BOARD OF COUNTY COMMISSIONERS OF KENT COUNTY PROCEDURES FOR TESTIFYING

It is our desire that everyone who wishes to contribute to this democratic process be given a fair and uninterrupted opportunity to be heard. To ensure equal opportunity for individual input for the topic under discussion, certain rules must be followed by all persons who are to testify.

The rules to govern our hearings are few but are intended to guide our proceedings. The hope is that each person testifying will be self-governed, thereby contributing to fairness for all.

The Chair will remind anyone who testifies when he/she has violated the rules of the proceeding.

- Rule 1.** Please sign the “testimony log” if you desire to speak during the hearing(s).
- Rule 2.** All speakers must identify themselves and use the area designated for purposes of testifying and will use the microphone.
- Rule 3.** Each person testifying will have three minutes for his/her remarks.
- Rule 4.** The Chair will maintain order via voice commands.
- Rule 5.** Stick to the issues at hand.

II. Expression of Consent – Town of Rock Hall**TOWN OF ROCK HALL, MARYLAND****RESOLUTION NO. 2021-____****Support of an Application for a Rock Hall Enterprise Zone Designation**

A Resolution of the Council of the Town of Rock Hall supporting an application for a Rock Hall Enterprise Zone Designation.

RECITALS

WHEREAS the State of Maryland's Enterprise Zone Tax Credit Program is a joint effort between the State and local governments to provide tax incentives to businesses and property owners located in economically distressed communities; and

WHEREAS enterprise zones have provided other jurisdictions with an important economic development tool; and

WHEREAS the County Commissioners of Kent County and the Council of the Town of Rock Hall (the "Council") seek to designate the Town of Rock Hall (the "Town") as an Enterprise Zone to support economic development within the Town; and

WHEREAS the application to designate the Town as an Enterprise Zone will include Kent County (the "County") and Town properties located in Priority Funding Areas totaling 1532 acres; and

WHEREAS the primary benefits to businesses located in an Enterprise Zone are eligibility for local property tax credits and State income tax credits; and

WHEREAS eligible businesses in an Enterprise Zone may claim a ten-year credit against local real property taxes on a portion of real property improvements, with the credit being 80 percent of the assessment increase during the first five years and then decreasing ten percent annually to 30 percent in the tenth year; and

WHEREAS the Enterprise Zone is an important incentive the Town and the County can offer to attract new businesses and encourage local expansion of existing ones; and

WHEREAS, the Council, for the good and welfare of the community, deems it necessary and appropriate to adopt this Resolution.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COUNCIL OF THE TOWN OF ROCK HALL that the Council fully supports the application to the Maryland Department of Commerce requesting designation of a Rock Hall Enterprise Zone as evidenced by their signatures below.

AND BE IT FURTHER RESOLVED that the recitals to this Resolution are not merely prefatory but are a substantial part of this Resolution.

AND BE IT FURTHER RESOLVED that the Mayor and the Town Manager are authorized to execute any and all documents and take any and all actions to carry out the intent of this Resolution.

COUNTY COMMISSIONERS OF KENT COUNTY, MARYLAND****SUPPORT OF AN APPLICATION FOR A
ROCK HALL ENTERPRISE ZONE DESIGNATION**

WHEREAS, Maryland's Enterprise Zone Tax Credit Program is a joint effort between the State and local governments to provide tax incentives to businesses and property-owners located in economically distressed communities; and

WHEREAS, enterprise zones have provided other jurisdictions with important economic development tool; and

WHEREAS, the County Commissioners of Kent County and the Mayor and Council of the Town of Rock Hall seek this designation for the proposed area to support economic development; and

WHEREAS, the application will include County and Town properties in the Priority Funding Areas, which together total 1,532 acres; and

WHEREAS, the primary benefits to businesses located with an Enterprise Zone are eligible for local property tax credits and State income tax credits; and

WHEREAS, eligible businesses in an Enterprise Zone may claim a 10-year credit against local real property taxes on a portion of real property improvements, that credit being 80 percent of the assessment increase during the first five years, and then decreasing 10 percent annually to 30 percent in the tenth year; and

WHEREAS, eligible businesses in an Enterprise Zone may claim credits for wages paid to new employees in new positions, those credits being a one-time \$1,000 credit per new worker in general, but increasing in the case of economically disadvantaged employees to \$6,000 per worker distributed over three years, such credits to be claimed on Form 500CR submitted to the Comptroller as part of an individual or business income tax return; and

WHEREAS, the Enterprise Zone is an important incentive the Town and County can offer to attract new businesses and encourage local expansion of existing ones;

NOW, THEREFORE, BE IT RESOLVED, the County Commissioners of Kent County, Maryland with their signatures below, fully support the application, attached hereto as Exhibit A, to the Maryland Department of Commerce requesting designation of a Rock Hall Enterprise Zone.

VII. Narrative - Economic, Social, and Demographic Data

The Town of Rock Hall is the County's second-largest municipality, with 1,198 residents according to the 2020 Census, a decline of 112 from 2010. By population, Kent County is the smallest county in Maryland. The 2020 Census population was 19,198, a decrease of 999 from 2010. Rock Hall is home to many second homeowners and tourism, agriculture and maritime are the economic drivers for the Town and surrounding areas. Unemployment rises during the winter months because of the seasonal nature of these industries.

More than half of the full-time residents in the Town of Rock Hall have a household income of less than \$50,000. <https://censusreporter.org/profiles/16000US2467400-rock-hall-md/>

2020 Population Distribution

In Kent County, 66% of students receive free and reduced meals. Kent County has shuttered two elementary schools in the past five years. Four of the five schools in Kent County qualify for Title I, Part A, a federal government program that provides financial assistance to schools with high numbers of children from low-income families.

Agriculture, maritime enterprises, and tourism have traditionally been Kent County's economic drivers. Kent County has 346 farms with 134,262 acres of land dedicated to farming, with a market value of products sold totaling \$111 million (2017 Census of Agriculture). In 2020, tourism generated \$46.9 million in sales, a 26.6% decrease from 2019, and accounted for 530 jobs a decrease of 25%, both due to the pandemic. Maritime interests are thriving in Kent County, which boasts nearly 350 miles of shoreline and more than 30 marinas operating on the Chesapeake Bay and the Sassafras and Chester Rivers.

The three largest employers in Kent County are based in the Town of Chestertown: Washington College, University of Maryland Shore Regional Health, and Dixon Valve. The three business sectors represented by these employers are education, healthcare, and manufacturing and provide approximately 1,000 jobs each. The Washington College campus is home to about 1,450 students from September through May, and hosts summer programs that bring young campers, scholars, and athletes along with adult learners into the County.

GOALS AND OBJECTIVES

Increase Employment Base

The Kent County Department of Economic and Tourism Development has formed partnerships with the Department of Labor, the Upper Shore Workforce Investment Board, Chesapeake College, Washington College, Department of Social Services, and various organizations to encourage job growth and assist in decreasing the unemployment rate. The

Enterprise Zone will benefit the County and the businesses that locate within the designated Zone by providing well-paying job opportunities.

Businesses Retention and Expansion

Retention and expansion of our current businesses are essential to the economic health of Kent County. The Kent County Department of Economic and Tourism Development will assist current businesses with growth and expansion projects, provide resources, technical assistance, and help with site selection.

Increase Tax Base

Encouraging capital investment in existing and new businesses increases the property tax revenue that contributes to an enriched quality of life for all Kent County residents and businesses. Kent County is rural and there are several large tracts of land located in the Enterprise Zone that would benefit from the tax incentive through development, therefore increasing the property tax revenue and creating jobs in Kent County.

Stimulate the Development and Investment on Main Street in Rock Hall

Main Street Rock Hall and the Town of Rock Hall recognize the need to provide incentives to current Main Street corridor business owners, whose shops/stores are shuttered, to open/re-open their doors or to attract new investors. Tax credits on improved assessed value would encourage the capital investment in those properties to make them more attractive to potential businesses wanting to locate in town, enabling Rock Hall to capitalize on the Main Street program more fully.

LOCAL STANDARDS

The local standard for qualification for businesses to qualify for real property tax credits in the Rock Hall Kent County Enterprise Zone will be a minimum capital investment of \$25,000.

The local standard will ensure that the tax credits are offered to substantial projects only and will help provide clarity about the types of projects that may benefit from the program.

ADDITIONAL INCENTIVES AND INITIATIVES

The Town of Rock Hall and Kent County are both poised for growth. In December 2020 the Kent County Commissioners demonstrated their commitment to Economic Development by re-structuring the departments of Economic Development and Tourism and creating the Department of Economic and Tourism Development, and fully staffing the department with a Director, an Economic Development Manager, a Tourism Manager, an Administrative Assistant, and an Intern. Allowing talents and expertise to be capitalized on and shared across disciplines.

Kent County partnered with Kent Fiber Optic Systems to build a fiber-optic broadband network throughout Kent County. Think Big Networks, an Internet Service Provider, is delivering 1GB service to businesses and residents in the county. A second fiber company Talkie Communications is also building a fiber network within Kent County and beyond, providing more and more high-speed internet service to the rural areas in Maryland. Kent County invested over \$7 million in the network and continues to partner with State and Federal partners to reach even more remote areas within Kent County.

In March 2019, Main Street Rock Hall received its 501(c)3 designation. Main Street Rock Hall is committed to attracting new and retaining existing businesses in the Main Street corridor, thereby improving the business climate in all segments of the local economy. Rock Hall received a Sustainable Community designation from DHCD, and between the Town of Rock Hall and Main Street Rock Hall has received grants totaling over \$100,000 for façade and streetscape improvements that have benefitted numerous businesses and projects within the Main Street corridor. The first major project Main Street Rock Hall completed was “The Murals of

Rock Hall”, a joint project with the Kent County Arts Council and Maryland State Arts Council, which was implemented with extensive involvement and participation from the Rock Hall community. Three new and redesigned Eastern Shore-themed murals have replaced deteriorating murals on the back of Java Rock, the side of Bayside Foods, and the back of The Mainstay. <https://www.mainstreetrockhall.org/>

Main Street Rock Hall was responsible for Pirates Weekend and the Fall Fest events in 2021. They support Small Business Saturday and have created other small community and art-related projects to promote a healthy 'front window' of Rock Hall in the absence of occupied storefronts. Main Street Rock Hall holds monthly meetings and submits written reports to Rock Hall Mayor and Council.

EDUCATIONAL AND TRAINING OPPORTUNITIES

Workforce readiness and development are a priority for the Kent County Department of Economic and Development. There are many partners to ensure our workforce is ready to work and trained to meet the current and future needs of businesses. Initiatives include “Innovation Internships” with Washington College and partnerships with Kent County High Schools’ CTE programs; the Department of Labor, Licensing and Regulation; the Upper Shore Workforce Investment Board; Chesapeake College; the Department of Social Services, etc. Dialogue and open exchange of information will assist in planning for the future needs of the business community.

MANAGEMENT PLAN

The Rock Hall Kent County Enterprise Zone will be administered by Kent County Department of Economic and Tourism Development. Kent County Department of Economic

and Tourism Development will be responsible for all administrative functions related to the enterprise zone, including.

- Processing businesses' applications to claim tax credits under the program.
- Coordinating documentation and approval of tax credits with the County tax office.
- Answering questions about the program and assisting businesses with their applications.
- Submitting annual reports to the Maryland Department of Commerce.

MARKETING

The Rock Hall Kent County Enterprise Zone will be promoted by the Town of Rock Hall and the Kent County Economic and Tourism Development Department.

PROPOSED CAPITAL IMPROVEMENTS WITHIN THE ENTERPRISE ZONE

A restaurant located at 6262 Rock Hall Road was foreclosed on in 2013. The property was subdivided, and a very successful Veterinary Practice is now operating on part of the property. In July of 2021, the remaining property was purchased by Kem Holdings, LLC, and is in the process of planning an opening a restaurant, in December of 2021 or January of 2022. The building is in good condition however capital investment in buildout and equipment will be necessary.

Wheelhouse Restaurant, located at 20658 Wilkins Avenue, opened in 2017, the owners invested in renovations and upgrades to the kitchen and dining areas. The restaurant closed its doors on March 16, 2020, due to the pandemic and elected not to offer take-out or delivery and never reopened. In May of 2021, the owners/operators decided to list the business and property for sale. The property's location provides viewpoints along Swan Cove in the Town of Rock Hall. The property is under contract with contingencies. Interested buyers are working with a local bank to purchase and renovate the property further by investing about \$800,000.

Haven Harbor Marina is a 200-slip facility and full-service yachting center located in the Town of Rock Hall. In 2018 Haven Harbor purchased another Marina out of foreclosure, outside of town limits, now Haven Harbour South. Haven Harbour South is a 150-slip facility and full-service yachting center outside of town limits.

Discussions in process for two buildings on Main Street to house The Rock Hall Museum and the Rock Hall branch of the Kent County Public Library.

VIII. Size Justification

The Town of Rock Hall and Kent County overall is very rural, and properties tend to be large and quite spread out. It is critical to include properties in the downtown area as well as properties of businesses located outside the Town limits. The proposed area for the Rock Hall Kent County Enterprise Zone consists of properties located in the Town of Rock Hall and properties contiguous to the Town and located in Kent County. The designation of an Enterprise Zone will help attract businesses to areas designated for growth and expansion. In addition to attracting new businesses to Kent County, The Enterprise Zone can spark capital investment in these properties that need revitalization.

Kent County is facing the challenges of declining enrollment in our public schools, and changes in healthcare that threaten the inpatient services provided at our local hospital.

Kent County remains a strong draw for residents who enjoy the natural beauty of the area. The well-preserved colonial architecture of Chestertown, the charm of Rock Hall, the proud Chesapeake Bay boating and fishing culture, and the intellectual and cultural offerings of Washington College.

Founded in 1782, Washington College is the nation's tenth oldest liberal arts college. Increased employment opportunities would entice more of Washington College's graduates to remain in Kent County.

The Enterprise Zone designation would provide Kent County and the Town of Rock Hall with incentives to help existing employers expand their businesses and would be a valuable tool for attracting new businesses. An Enterprise Zone designation gives Kent County additional means to compete with nearby Delaware in attracting and retaining businesses.

The Town of Rock Hall has had many inquiries about vacant properties, however current owners are not incentivized to sell or lease. A tax credit may encourage the current property owners to move forward with renovations or give potential buyers additional motivation to purchase a building for commercial purposes and make the capital investments needed.

Additional information about the Town of Rock Hall can be found in the [Mayor's Annual Report](#).

**SUPPORT OF AN APPLICATION FOR A
ROCK HALL ENTERPRISE ZONE DESIGNATION**

WHEREAS, Maryland's Enterprise Zone Tax Credit Program is a joint effort between the State and local governments to provide tax incentives to businesses and property-owners located in economically distressed communities; and

WHEREAS, enterprise zones have provided other jurisdictions with important economic development tool; and

WHEREAS, the County Commissioners of Kent County and the Mayor and Council of the Town of Rock Hall seek this designation for the proposed area to support economic development; and

WHEREAS, the application will include County and Town properties in the Priority Funding Areas, which together total 1,532 acres; and

WHEREAS, the primary benefits to businesses located with an Enterprise Zone are eligible for local property tax credits and State income tax credits; and

WHEREAS, eligible businesses in an Enterprise Zone may claim a 10- year credit against local real property taxes on a portion of real property improvements, that credit being 80 percent of the assessment increase during the first five years, and then decreasing 10 percent annually to 30 percent in the tenth year; and

WHEREAS, eligible businesses in an Enterprise Zone may claim credits for wages paid to new employees in new positions, those credits being a one-time \$1,000 credit per new worker in general, but increasing in the case of economically disadvantaged employees to \$6,000 per worker distributed over three years, such credits to be claimed on Form 500CR submitted to the Comptroller as part of an individual or business income tax return; and

WHEREAS, the Enterprise Zone is an important incentive the Town and County can offer to attract new businesses and encourage local expansion of existing ones.

NOW, THEREFORE, BE IT RESOLVED, the County Commissioners of Kent County, Maryland with their signatures below, fully support the application, attached hereto as Exhibit A, to the Maryland Department of Commerce requesting designation of a Rock Hall Enterprise Zone.

A Resolution of the Council of the Town of Rock Hall supporting an application for a Rock Hall Enterprise Zone Designation.

RECITALS

WHEREAS the State of Maryland's Enterprise Zone Tax Credit Program is a joint effort between the State and local governments to provide tax incentives to businesses and property owners located in economically distressed communities; and

WHEREAS enterprise zones have provided other jurisdictions with an important economic development tool; and

WHEREAS the County Commissioners of Kent County and the Council of the Town of Rock Hall (the "Council") seek to designate the Town of Rock Hall (the "Town") as an Enterprise Zone to support economic development within the Town; and

WHEREAS the application to designate the Town as an Enterprise Zone will include Kent County (the "County") and Town properties located in Priority Funding Areas totaling 1532 acres; and

WHEREAS the primary benefits to businesses located in an Enterprise Zone are eligibility for local property tax credits and State income tax credits; and

WHEREAS eligible businesses in an Enterprise Zone may claim a ten-year credit against local real property taxes on a portion of real property improvements, with the credit being 80 percent of the assessment increase during the first five years and then decreasing ten percent annually to 30 percent in the tenth year; and

WHEREAS the Enterprise Zone is an important incentive the Town and the County can offer to attract new businesses and encourage local expansion of existing ones; and

WHEREAS, the Council, for the good and welfare of the community, deems it necessary and appropriate to adopt this Resolution.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COUNCIL OF THE TOWN OF ROCK HALL that the Council fully supports the application to the Maryland Department of Commerce requesting designation of a Rock Hall Enterprise Zone as evidenced by their signatures below.

AND BE IT FURTHER RESOLVED that the recitals to this Resolution are not merely prefatory but are a substantial part of this Resolution.

AND BE IT FURTHER RESOLVED that the Mayor and the Town Manager are authorized to execute any and all documents and take any and all actions to carry out the intent of this Resolution.

VII. Narrative - Economic, Social, and Demographic Data

The Town of Rock Hall is the County's second-largest municipality, with 1,198 residents according to the 2020 Census, a decline of 112 from 2010. By population, Kent County is the smallest county in Maryland. The 2020 Census population was 19,198, a decrease of 999 from 2010. Rock Hall is home to many second homeowners and tourism, agriculture and maritime are the economic drivers for the Town and surrounding areas. Unemployment rises during the winter months because of the seasonal nature of these industries.

More than half of the full-time residents in the Town of Rock Hall have a household income of less than \$50,000. <https://censusreporter.org/profiles/16000US2467400-rock-hall-md/>

2020 Population Distribution

In Kent County, 66% of students receive free and reduced meals. Kent County has shuttered two elementary schools in the past five years. Four of the five schools in Kent County qualify for Title I, Part A, a federal government program that provides financial assistance to schools with high numbers of children from low-income families.

Agriculture, maritime enterprises, and tourism have traditionally been Kent County's economic drivers. Kent County has 346 farms with 134,262 acres of land dedicated to farming, with a market value of products sold totaling \$111 million (2017 Census of Agriculture). In 2020, tourism generated \$46.9 million in sales, a 26.6% decrease from 2019, and accounted for 530 jobs a decrease of 25%, both due to the pandemic. Maritime interests are thriving in Kent County, which boasts nearly 350 miles of shoreline and more than 30 marinas operating on the Chesapeake Bay and the Sassafras and Chester Rivers.

The three largest employers in Kent County are based in the Town of Chestertown: Washington College, University of Maryland Shore Regional Health, and Dixon Valve. The three business sectors represented by these employers are education, healthcare, and manufacturing and provide approximately 1,000 jobs each. The Washington College campus is home to about 1,450 students from September through May, and hosts summer programs that bring young campers, scholars, and athletes along with adult learners into the County.

GOALS AND OBJECTIVES

Increase Employment Base

The Kent County Department of Economic and Tourism Development has formed partnerships with the Department of Labor, the Upper Shore Workforce Investment Board, Chesapeake College, Washington College, Department of Social Services, and various organizations to encourage job growth and assist in decreasing the unemployment rate. The

Enterprise Zone will benefit the County and the businesses that locate within the designated Zone by providing well-paying job opportunities.

Businesses Retention and Expansion

Retention and expansion of our current businesses are essential to the economic health of Kent County. The Kent County Department of Economic and Tourism Development will assist current businesses with growth and expansion projects, provide resources, technical assistance, and help with site selection.

Increase Tax Base

Encouraging capital investment in existing and new businesses increases the property tax revenue that contributes to an enriched quality of life for all Kent County residents and businesses. Kent County is rural and there are several large tracts of land located in the Enterprise Zone that would benefit from the tax incentive through development, therefore increasing the property tax revenue and creating jobs in Kent County.

Stimulate the Development and Investment on Main Street in Rock Hall

Main Street Rock Hall and the Town of Rock Hall recognize the need to provide incentives to current Main Street corridor business owners, whose shops/stores are shuttered, to open/re-open their doors or to attract new investors. Tax credits on improved assessed value would encourage the capital investment in those properties to make them more attractive to potential businesses wanting to locate in town, enabling Rock Hall to capitalize on the Main Street program more fully.

LOCAL STANDARDS

The local standard for qualification for businesses to qualify for real property tax credits in the Rock Hall Kent County Enterprise Zone will be a minimum capital investment of \$25,000.

The local standard will ensure that the tax credits are offered to substantial projects only and will help provide clarity about the types of projects that may benefit from the program.

ADDITIONAL INCENTIVES AND INITIATIVES

The Town of Rock Hall and Kent County are both poised for growth. In December 2020 the Kent County Commissioners demonstrated their commitment to Economic Development by re-structuring the departments of Economic Development and Tourism and creating the Department of Economic and Tourism Development, and fully staffing the department with a Director, an Economic Development Manager, a Tourism Manager, an Administrative Assistant, and an Intern. Allowing talents and expertise to be capitalized on and shared across disciplines.

Kent County partnered with Kent Fiber Optic Systems to build a fiber-optic broadband network throughout Kent County. Think Big Networks, an Internet Service Provider, is delivering 1GB service to businesses and residents in the county. A second fiber company Talkie Communications is also building a fiber network within Kent County and beyond, providing more and more high-speed internet service to the rural areas in Maryland. Kent County invested over \$7 million in the network and continues to partner with State and Federal partners to reach even more remote areas within Kent County.

In March 2019, Main Street Rock Hall received its 501(c)3 designation. Main Street Rock Hall is committed to attracting new and retaining existing businesses in the Main Street corridor, thereby improving the business climate in all segments of the local economy. Rock Hall received a Sustainable Community designation from DHCD, and between the Town of Rock Hall and Main Street Rock Hall has received grants totaling over \$100,000 for façade and streetscape improvements that have benefitted numerous businesses and projects within the Main Street corridor. The first major project Main Street Rock Hall completed was “The Murals of

Rock Hall”, a joint project with the Kent County Arts Council and Maryland State Arts Council, which was implemented with extensive involvement and participation from the Rock Hall community. Three new and redesigned Eastern Shore-themed murals have replaced deteriorating murals on the back of Java Rock, the side of Bayside Foods, and the back of The Mainstay. <https://www.mainstreetrockhall.org/>

Main Street Rock Hall was responsible for Pirates Weekend and the Fall Fest events in 2021. They support Small Business Saturday and have created other small community and art-related projects to promote a healthy 'front window' of Rock Hall in the absence of occupied storefronts. Main Street Rock Hall holds monthly meetings and submits written reports to Rock Hall Mayor and Council.

EDUCATIONAL AND TRAINING OPPORTUNITIES

Workforce readiness and development are a priority for the Kent County Department of Economic and Development. There are many partners to ensure our workforce is ready to work and trained to meet the current and future needs of businesses. Initiatives include “Innovation Internships” with Washington College and partnerships with Kent County High Schools’ CTE programs; the Department of Labor, Licensing and Regulation; the Upper Shore Workforce Investment Board; Chesapeake College; the Department of Social Services, etc. Dialogue and open exchange of information will assist in planning for the future needs of the business community.

MANAGEMENT PLAN

The Rock Hall Kent County Enterprise Zone will be administered by Kent County Department of Economic and Tourism Development. Kent County Department of Economic

and Tourism Development will be responsible for all administrative functions related to the enterprise zone, including.

- Processing businesses' applications to claim tax credits under the program.
- Coordinating documentation and approval of tax credits with the County tax office.
- Answering questions about the program and assisting businesses with their applications.
- Submitting annual reports to the Maryland Department of Commerce.

MARKETING

The Rock Hall Kent County Enterprise Zone will be promoted by the Town of Rock Hall and the Kent County Economic and Tourism Development Department.

PROPOSED CAPITAL IMPROVEMENTS WITHIN THE ENTERPRISE ZONE

A restaurant located at 6262 Rock Hall Road was foreclosed on in 2013. The property was subdivided, and a very successful Veterinary Practice is now operating on part of the property. In July of 2021, the remaining property was purchased by Kem Holdings, LLC, and is in the process of planning an opening a restaurant, in December of 2021 or January of 2022. The building is in good condition however capital investment in buildout and equipment will be necessary.

Wheelhouse Restaurant, located at 20658 Wilkins Avenue, opened in 2017, the owners invested in renovations and upgrades to the kitchen and dining areas. The restaurant closed its doors on March 16, 2020, due to the pandemic and elected not to offer take-out or delivery and never reopened. In May of 2021, the owners/operators decided to list the business and property for sale. The property's location provides viewpoints along Swan Cove in the Town of Rock Hall. The property is under contract with contingencies. Interested buyers are working with a local bank to purchase and renovate the property further by investing about \$800,000.

Haven Harbor Marina is a 200-slip facility and full-service yachting center located in the Town of Rock Hall. In 2018 Haven Harbor purchased another Marina out of foreclosure, outside of town limits, now Haven Harbour South. Haven Harbour South is a 150-slip facility and full-service yachting center outside of town limits.

Discussions in process for two buildings on Main Street to house The Rock Hall Museum and the Rock Hall branch of the Kent County Public Library.

VIII. Size Justification

The Town of Rock Hall and Kent County overall is very rural, and properties tend to be large and quite spread out. It is critical to include properties in the downtown area as well as properties of businesses located outside the Town limits. The proposed area for the Rock Hall Kent County Enterprise Zone consists of properties located in the Town of Rock Hall and properties contiguous to the Town and located in Kent County. The designation of an Enterprise Zone will help attract businesses to areas designated for growth and expansion. In addition to attracting new businesses to Kent County, The Enterprise Zone can spark capital investment in these properties that need revitalization.

Kent County is facing the challenges of declining enrollment in our public schools, and changes in healthcare that threaten the inpatient services provided at our local hospital.

Kent County remains a strong draw for residents who enjoy the natural beauty of the area. The well-preserved colonial architecture of Chestertown, the charm of Rock Hall, the proud Chesapeake Bay boating and fishing culture, and the intellectual and cultural offerings of Washington College.

Founded in 1782, Washington College is the nation's tenth oldest liberal arts college. Increased employment opportunities would entice more of Washington College's graduates to remain in Kent County.

The Enterprise Zone designation would provide Kent County and the Town of Rock Hall with incentives to help existing employers expand their businesses and would be a valuable tool for attracting new businesses. An Enterprise Zone designation gives Kent County additional means to compete with nearby Delaware in attracting and retaining businesses.

The Town of Rock Hall has had many inquiries about vacant properties, however current owners are not incentivized to sell or lease. A tax credit may encourage the current property owners to move forward with renovations or give potential buyers additional motivation to purchase a building for commercial purposes and make the capital investments needed.

Additional information about the Town of Rock Hall can be found in the [Mayor's Annual Report](#).

II. Expression of Consent – Town of Rock Hall**TOWN OF ROCK HALL, MARYLAND****RESOLUTION NO. 2021-____****Support of an Application for a Rock Hall Enterprise Zone Designation**

A Resolution of the Council of the Town of Rock Hall supporting an application for a Rock Hall Enterprise Zone Designation.

RECITALS

WHEREAS the State of Maryland's Enterprise Zone Tax Credit Program is a joint effort between the State and local governments to provide tax incentives to businesses and property owners located in economically distressed communities; and

WHEREAS enterprise zones have provided other jurisdictions with an important economic development tool; and

WHEREAS the County Commissioners of Kent County and the Council of the Town of Rock Hall (the "Council") seek to designate the Town of Rock Hall (the "Town") as an Enterprise Zone to support economic development within the Town; and

WHEREAS the application to designate the Town as an Enterprise Zone will include Kent County (the "County") and Town properties located in Priority Funding Areas totaling 1532 acres; and

WHEREAS the primary benefits to businesses located in an Enterprise Zone are eligibility for local property tax credits and State income tax credits; and

WHEREAS eligible businesses in an Enterprise Zone may claim a ten-year credit against local real property taxes on a portion of real property improvements, with the credit being 80 percent of the assessment increase during the first five years and then decreasing ten percent annually to 30 percent in the tenth year; and

WHEREAS the Enterprise Zone is an important incentive the Town and the County can offer to attract new businesses and encourage local expansion of existing ones; and

WHEREAS, the Council, for the good and welfare of the community, deems it necessary and appropriate to adopt this Resolution.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COUNCIL OF THE TOWN OF ROCK HALL that the Council fully supports the application to the Maryland Department of Commerce requesting designation of a Rock Hall Enterprise Zone as evidenced by their signatures below.

AND BE IT FURTHER RESOLVED that the recitals to this Resolution are not merely prefatory but are a substantial part of this Resolution.

AND BE IT FURTHER RESOLVED that the Mayor and the Town Manager are authorized to execute any and all documents and take any and all actions to carry out the intent of this Resolution.

VII. Narrative - Economic, Social, and Demographic Data

The Town of Rock Hall is the County's second-largest municipality, with 1,198 residents according to the 2020 Census, a decline of 112 from 2010. By population, Kent County is the smallest county in Maryland. The 2020 Census population was 19,198, a decrease of 999 from 2010. Rock Hall is home to many second homeowners and tourism, agriculture and maritime are the economic drivers for the Town and surrounding areas. Unemployment rises during the winter months because of the seasonal nature of these industries.

More than half of the full-time residents in the Town of Rock Hall have a household income of less than \$50,000. <https://censusreporter.org/profiles/16000US2467400-rock-hall-md/>

2020 Population Distribution

In Kent County, 66% of students receive free and reduced meals. Kent County has shuttered two elementary schools in the past five years. Four of the five schools in Kent County qualify for Title I, Part A, a federal government program that provides financial assistance to schools with high numbers of children from low-income families.

Agriculture, maritime enterprises, and tourism have traditionally been Kent County's economic drivers. Kent County has 346 farms with 134,262 acres of land dedicated to farming, with a market value of products sold totaling \$111 million (2017 Census of Agriculture). In 2020, tourism generated \$46.9 million in sales, a 26.6% decrease from 2019, and accounted for 530 jobs a decrease of 25%, both due to the pandemic. Maritime interests are thriving in Kent County, which boasts nearly 350 miles of shoreline and more than 30 marinas operating on the Chesapeake Bay and the Sassafras and Chester Rivers.

The three largest employers in Kent County are based in the Town of Chestertown: Washington College, University of Maryland Shore Regional Health, and Dixon Valve. The three business sectors represented by these employers are education, healthcare, and manufacturing and provide approximately 1,000 jobs each. The Washington College campus is home to about 1,450 students from September through May, and hosts summer programs that bring young campers, scholars, and athletes along with adult learners into the County.

Description

10.05.21 Memorandum of Understanding, By and Among the County Commissioners of Kent County and the Office of the Register of Wills, County Fiber Optic Network with Kent Fiber Optics

Memorandum of Understanding

THIS MEMORANDUM OF UNDERSTANDING (this “MOU” or “Agreement”) is made as of this 5th day of October 2021 by and among the County Commissioners of Kent County (the “County”) and the Office of the Register of Wills for Kent County, Maryland (the “Register of Wills”) collectively referred to in this MOU as the “Parties”

WHEREAS, the Parties are committed to working together for the expressed purpose of providing one dark fiber strand as part of the County’s Fiber Optic Network in partnership with Kent Fiber Optics.

WHEREAS, the Parties desire to enter an understanding, thus setting out all necessary working arrangements that both Parties agree shall be necessary to complete this Memorandum of Understanding.

NOW, THEREFORE, in consideration of mutual covenants contained herein, the Parties hereto agree as follows:

Responsibilities of Parties:

The County agrees to provide the following:

- One dark fiber optic strand

The Register of Wills agrees:

- To provide any additional equipment needs beyond the County dark fiber optic strand

Indemnification. The Register of Wills shall indemnify the County from claims by third parties arising from damage to tangible property, personal injury, or death caused by the Register of Wills’ negligence or willful misconduct. Such indemnification shall include, without limitation, awards, settlement, and all costs and expenses associated with the claim (including legal fees and court costs). The County shall indemnify the Register of Wills from claims by third parties arising from damage to tangible property, personal injury, or death caused by the County’s negligence or willful misconduct. Such indemnification shall include, without limitation, awards, settlement, and all costs and expenses associated with the claim (including legal fees and court costs).

Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Maryland, without regard to its conflict of laws principals.

Modification. Modifications to this MOU must be in writing and signed by each Party.

Term and Termination. This Agreement shall become effective on the date hereof and shall terminate on June 30th of each fiscal year. With the consent of both parties, this Agreement may be amended to extend the period of performance prior to the Agreement’s termination date and

in accordance with the Modification section. This Agreement shall be upheld and remain valid and in full force and effect unless and until such time as either party terminates the Agreement with 30 days written notice.

IN WITNESS WHEREOF, and intending to be legally bound the parties have executed this Agreement as of the date and year first above written.

Re: Second Public Comment Hearing

Dear Commissioner Mason:

On November 30, 2018, Morgnec Road Solar, LLC ("Applicant") filed an application ("Application") for a Certificate of Public Convenience and Necessity ("CPCN") for authority to construct a 45.0 megawatt ("MW") alternating current solar photovoltaic generating facility in Kent County, Maryland (the "Project"). The Applicant proposes to construct the Project on two parcels totaling approximately 253.16 acres in Kent County near the Town of Chestertown (Tax Map 37, Parcels 40 and 174) and accompanying interconnection facilities necessary to interconnect the Project to the Chestertown Substation. The Application has been docketed as Case No. 9499.

Section 7-207 of the Public Utilities Article (PUA), a copy of which is enclosed for your information, requires a public hearing for comments on the Application be held in the jurisdiction(s) where the facility is to be constructed (§ 7-207(d)). Under the statute, this public hearing is to be held by the Commission jointly with the local governing body unless the governing body or bodies choose not to participate.

Honorable P. Thomas Mason
September 27, 2021
Page 2

A second hearing for public comment is scheduled for Thursday, November 4, 2021, at 6:30 p.m., via virtual meeting. A copy of the Public Utility Law Judge's Notice of Second Public Comment Hearing is enclosed for your convenience. If there are additional options for providing, in an efficient and cost-effective manner, notice of the public hearing through other types of media that are familiar to the residents of Kent County, beyond those directed in the Notice, I would appreciate you identifying the same.

I request that you advise me no later than October 28, 2021, whether you wish to sit jointly with me at the public hearing. If I do not hear from you on or before October 28, 2021, I will assume that neither you nor any Kent County Commissioner wishes to sit jointly with me; however, you and any Commissioner may, of course, attend the hearing and present whatever relevant statement you deem appropriate.

Very truly yours,

/s/ Kristin Case Lawrence

Statutes current through all legislation of the 2021 Regular Session of the General Assembly.

- MD - Annotated Code of Maryland
- PUBLIC UTILITIES
- DIVISION I. PUBLIC SERVICES AND UTILITIES
- TITLE 7. GAS, ELECTRIC, AND WATER COMPANIES
- SUBTITLE 2. ELECTRIC GENERATION FACILITY PLANNING

§ 7-207. Generating stations or transmission lines -- General certification procedure

(a) Definitions. --

(1) In this section the following words have the meanings indicated.

(2) "Brownfields site" means:

(i) a former industrial or commercial site identified by federal or State laws or regulation as contaminated or polluted;

(ii) a closed landfill regulated by the Department of the Environment; or

(iii) mined land.

(3) (i) "Construction" means:

1. any physical change at a site, including fabrication, erection, installation, or demolition; or

2. the entry into a binding agreement or contractual obligation to purchase equipment exclusively for use in construction in the State or to undertake a program of actual construction in the State which cannot be canceled or modified without substantial loss to the owner or operator of the proposed generating station.

(ii) "Construction" does not include a change that is needed for the temporary use of a site or route for nonutility purposes or for use in securing geological data, including any boring that is necessary to ascertain foundation conditions.

(4)

(i) "Mined land" means the surface or subsurface of an area in which surface mining operations will be, are being, or have been conducted.

(ii) "Mined land" includes:

1. private ways and roads used for mining appurtenant to any surface mining area;

2. land excavations;

3. workings; and

4. overburden.

(5) "Qualified generator lead line" means an overhead transmission line that is designed to carry a voltage in excess of 69,000 volts and would allow an out-of-state Tier 1 or Tier 2 renewable source to interconnect with a portion of the electric system in Maryland that is owned by an electric company.

(b) Certificate of public convenience and necessity required. --

(1) (i) Unless a certificate of public convenience and necessity for the construction is first obtained from the Commission, a person may not begin construction in the State of:

1. a generating station; or

2. a qualified generator lead line.

(ii) If a person obtains Commission approval for construction under § 7-207.1 of this subtitle, the Commission shall exempt a person from the requirement to obtain a certificate of public convenience and necessity under this section.

(iii) Notwithstanding subparagraph (i) of this paragraph, a person may not apply to obtain a certificate of public convenience and necessity for construction of a qualified generator lead line unless:

1. at least 90 days before the filing of an application for a certificate of public convenience and necessity, the person had in good faith offered the electric company that owns that portion of the electric grid in Maryland to which the qualified generator lead line would interconnect a full and fair opportunity for the electric company to construct the qualified generator lead line; and

2. at any time at least 10 days before the filing of an application for a certificate of public convenience and necessity, the electric company:

A. did not accept from the person a proposal or a negotiated version of the proposal under which the electric company would construct the qualified generator lead line; or

B. stated in writing that the electric company did not intend to construct the qualified generator lead line.

(2) Unless a certificate of public convenience and necessity for the construction is first obtained from the Commission, and the Commission has found that the capacity is necessary to ensure a sufficient supply of electricity to customers in the State, a person may not exercise a right of condemnation in connection with the construction of a generating station.

(3)

(i) Except as provided in paragraph (4) of this subsection, unless a certificate of public convenience and necessity for the construction is first obtained from the Commission, a person may not begin construction of an overhead transmission line that is designed to carry a voltage in excess of 69,000 volts or exercise a right of condemnation with the construction.

(ii) For construction related to an existing overhead transmission line, the Commission may waive the requirement in subparagraph (i) of this paragraph for good cause.

(iii) Notwithstanding subparagraph (i) of this paragraph and subject to subparagraph (iv) of this paragraph, the Commission may issue a certificate of public convenience and necessity for the construction of an overhead transmission line only if the applicant for the certificate of public convenience and necessity:

1. is an electric company; or

2. is or, on the start of commercial operation of the overhead transmission line, will be subject to regulation as a public utility by an officer or an agency of the United States.

(iv) The Commission may not issue a certificate of public convenience and necessity for the construction of an overhead transmission line in the electric distribution service territory of an electric company to an applicant other than an electric company if:

1. the overhead transmission line is to be located solely within the electric distribution service territory of that electric company; and

2. the cost of the overhead transmission line is to be paid solely by that electric company and its ratepayers.

(v)

1. This subparagraph applies to the construction of an overhead transmission line for which a certificate of public convenience and necessity is required under this section.

2. On issuance of a certificate of public convenience and necessity for the construction of an overhead transmission line, a person may acquire by condemnation, in accordance with Title 12 of the Real Property Article, any property or right necessary for the construction or maintenance of the transmission line.

(4) (i) Except as provided in subparagraph (ii) of this paragraph, for construction related to an existing overhead transmission line designed to carry a voltage in excess of 69,000 volts, the Commission shall waive the requirement to obtain a certificate of public convenience and necessity if the Commission finds that the construction does not:

1. require the person to obtain new real property or additional rights-of-way through eminent domain; or
2. require larger or higher structures to accommodate:
 - A. increased voltage; or
 - B. larger conductors.

(ii)

1. For construction related to an existing overhead transmission line, including repairs, that is necessary to avoid an imminent safety hazard or reliability risk, a person may undertake the necessary construction.
2. Within 30 days after construction is completed under subsubparagraph 1 of this subparagraph, a person shall file a report with the Commission describing the work that was completed.

(c) Notice to interested persons. --

(1) On receipt of an application for a certificate of public convenience and necessity under this section, the Commission shall provide notice immediately or require the applicant to provide notice immediately of the application to:

(i) the Department of Planning;

(ii) the governing body, and if applicable the executive, of each county or municipal corporation in which any portion of the generating station, overhead transmission line, or qualified generator lead line is proposed to be constructed;

(iii) the governing body, and if applicable the executive, of each county or municipal corporation within 1 mile of the proposed location of the generating station, overhead transmission line, or qualified generator lead line;

(iv) each member of the General Assembly representing any part of a county in which any portion of the generating station, overhead transmission line, or qualified generator lead line is proposed to be constructed;

(v) each member of the General Assembly representing any part of each county within 1 mile of the proposed location of the generating station, overhead transmission line, or qualified generator lead line;

(vi) for a proposed overhead transmission line, each owner of land and each owner of adjacent land; and

(vii) all other interested persons.

(2) The Commission, when sending the notice required under paragraph (1) of this subsection, shall forward a copy of the application to:

(i) each appropriate State unit and unit of local government for review, evaluation, and comment regarding the significance of the proposal to State, area-wide, and local plans or programs; and

(ii) each member of the General Assembly included under paragraph (1)(iv) and (v) of this subsection who requests a copy of the application.

(3) On receipt of an application for a certificate of public convenience and necessity under this section, the Commission shall provide notice of the application on the Commission's social media platforms and website.

(d) Public hearing. --

(1)

(i) The Commission shall provide an opportunity for public comment and hold a public hearing on the application for a certificate of public convenience and necessity in each county and municipal corporation in which any portion of the construction of a generating station, an overhead transmission line designed to carry a voltage in excess of 69,000 volts, or a qualified generator lead line is proposed to be located.

(ii) The Commission may hold the public hearing virtually rather than in person if the Commission provides a comparable opportunity for public comment and participation in the hearing.

(2) The Commission shall hold the public hearing jointly with the governing body of the county or municipal corporation in which any portion of the construction of the generating station, overhead transmission line, or qualified generator lead line is proposed to be located, unless the governing body declines to participate in the hearing.

(3) (i) Once in each of the 4 successive weeks immediately before the hearing date, the Commission shall provide weekly notice of the public hearing and an opportunity for public comment:

1. by advertisement in a newspaper of general circulation in the county or municipal corporation affected by the application;
2. on two types of social media; and
3. on the Commission's website.

(ii) Before a public hearing, the Commission shall coordinate with the governing body of the county or municipal corporation in which any portion of the construction of the generating station, overhead transmission line, or qualified generator lead line is proposed to be located to identify additional options for providing, in an efficient and cost-effective manner, notice of the public hearing through other types of media that are familiar to the residents of the county or municipal corporation.

(4)

(i) On the day of a public hearing, an informational sign shall be posted prominently at or near each public entrance of the building in which the public hearing will be held.

(ii) The informational sign required under subparagraph (i) of this paragraph shall:

1. state the time, room number, and subject of the public hearing; and
2. be at least 17 by 22 inches in size.

(iii) If the public hearing is conducted virtually rather than in person, the Commission shall provide information on the hearing prominently on the Commission's website.

(5)

(i) The Commission shall ensure presentation and recommendations from each interested State unit, and shall allow representatives of each State unit to sit during hearing of all parties.

(ii) The Commission shall allow each State unit 15 days after the conclusion of the hearing to modify the State unit's initial recommendations.

(e) Final action by Commission. -- The Commission shall take final action on an application for a certificate of public convenience and necessity only after due consideration of:

(1) the recommendation of the governing body of each county or municipal corporation in which any portion of the construction of the generating station, overhead transmission line, or qualified generator lead line is proposed to be located;

(2) the effect of the generating station, overhead transmission line, or qualified generator lead line on:

(i) the stability and reliability of the electric system;

(ii) economics;

(iii) esthetics;

(iv) historic sites;

(v) aviation safety as determined by the Maryland Aviation Administration and the administrator of the Federal Aviation Administration;

(vi) when applicable, air quality and water pollution; and

(vii) the availability of means for the required timely disposal of wastes produced by any generating station;

(3) the effect of climate change on the generating station, overhead transmission line, or qualified generator lead line based on the best available scientific information recognized by the Intergovernmental Panel on Climate Change; and

(4) for a generating station:

(i) the consistency of the application with the comprehensive plan and zoning of each county or municipal corporation where any portion of the generating station is proposed to be located;

(ii) the efforts to resolve any issues presented by a county or municipal corporation where any portion of the generating station is proposed to be located;

(iii) the impact of the generating station on the quantity of annual and long-term statewide greenhouse gas emissions, measured in the manner specified in § 2-1202 of the Environment Article and based on the best available scientific information recognized by the Intergovernmental Panel on Climate Change; and

(iv) the consistency of the application with the State's climate commitments for reducing statewide greenhouse gas emissions, including those specified in Title 2, Subtitle 12 of the Environment Article.

(f) Construction of overhead transmission lines. -- For the construction of an overhead transmission line, in addition to the considerations listed in subsection (e) of this section, the Commission shall:

(1) take final action on an application for a certificate of public convenience and necessity only after due consideration of:

(i) the need to meet existing and future demand for electric service; and

(ii) for construction related to a new overhead transmission line, the alternative routes that the applicant considered, including the estimated capital and operating costs of each alternative route and a statement of the reason why the alternative route was rejected;

(2) require as an ongoing condition of the certificate of public convenience and necessity that an applicant comply with:

(i) all relevant agreements with PJM Interconnection, L.L.C., or its successors, related to the ongoing operation and maintenance of the overhead transmission line; and

(ii) all obligations imposed by the North America Electric Reliability Council and the Federal Energy Regulatory Commission related to the ongoing operation and maintenance of the overhead transmission line; and

(3) require the applicant to identify whether the overhead transmission line is proposed to be constructed on:

(i) an existing brownfields site;

(ii) property that is subject to an existing easement; or

(iii) a site where a tower structure or components of a tower structure used to support an overhead transmission line exist.

(g) Transmission lines near airport runway. --

(1) The Commission may not authorize, and a person may not undertake, the construction of an overhead transmission line that is aligned with and within 1 mile of either end of a public airport runway, unless:

(i) the Federal Aviation Administration determines that the construction of an overhead transmission line will not constitute a hazard to air navigation; and

(ii) the Maryland Aviation Administration concurs in that determination.

(2) A privately owned airport runway shall qualify as a public airport runway under this subsection only if the runway has been on file with the Federal Aviation Administration for at least 2 years as being open to the public without restriction.

**PUBLIC UTILITY LAW JUDGE'S
NOTICE OF SECOND PUBLIC COMMENT HEARING**

On November 30, 2018, Morgnec Road Solar, LLC (“Applicant”) filed an application (“Application”) for a Certificate of Public Convenience and Necessity (CPCN) for authority to construct a 45.0 megawatt (MW) alternating current solar photovoltaic generating facility in Kent County, Maryland (the “Project”). The Applicant proposes to construct the Project on two parcels totaling approximately 253.16 acres in Kent County near the Town of Chestertown (Tax Map 37, Parcels 40 and 174) and accompanying interconnection facilities necessary to interconnect the Project to the Chestertown Substation.

An evening hearing for the purpose of receiving comments in connection with the Application is hereby scheduled for **Thursday, November 4, 2021 at 6:30 p.m., via virtual meeting.**

The hearing will begin with a presentation of the Project by the Applicant; followed by a presentation by the Department of Natural Resources, Power Plant Research Program (PPRP) of its recommendations with respect to the Project; followed by the Maryland Office of People’s Counsel (OPC), and the Technical Staff of the Public Service Commission of Maryland (“Staff”) as to their recommendations with regard to the Project, if any.

If you would like to speak at the hearing, please send an email to psc.pulj@gmail.com by 12:00 Noon on November 1, 2021. Anyone wishing to observe the public hearing may do so via the Public Utility Law Judge Division's YouTube channel, <https://bit.ly/2X6wLiP>. Please direct any questions about the public hearing to psc.pulj@gmail.com.

Written comments on the Application may be submitted electronically or by first-class mail, on or before **November 10, 2021**. Comments submitted electronically must be submitted through the Commission's Public Comment Dropbox, which can be accessed through the Commission's website at www.psc.state.md.us. Instructions for logging into the Public Comment Dropbox are located under the "Tools" section of the Commission's website under the "Make a Public Comment" tab, which can be accessed via the following link: <https://www.psc.state.md.us/make-a-public-comment/>. Commenters utilizing the Public Comment Dropbox are required to complete a one-time registration. All comments must include a reference to Case No. 9499. If submitted by first-class mail, comments must be addressed to Andrew S. Johnston, Executive Secretary, Maryland Public Service Commission, William Donald Schaefer Tower, 6 St. Paul Street, 16th Floor, Baltimore, Maryland 21202. Only one copy is required.

The Applicant is hereby directed to:

- Once in each of the four successive weeks immediately before the evening hearing date:

Publish notice of the evening hearing, including the caption, case number, time, date, and the purpose of the hearing, as a display advertisement in a newspaper of general circulation throughout Kent County, including in the notice a link to the PULJ Division's YouTube Channel, and the methods and date by which written comments may be submitted; and

Post on at least two routinely used social media platforms, such as Facebook or Twitter, and use any other means of communications at its disposal to further notify Kent County residents of the date, time, and purpose of the

evening hearing, including in the notice a link to the PULJ Division's YouTube Channel, and the methods and date by which written public comments may be submitted.¹

- At least four weeks prior to the date of the evening hearing until the day after the evening hearing, post on its home website page (if the Applicant has a website) a notice of the evening hearing in a manner so that an individual need not click the link to determine the date, time, and purpose of the hearing, including in the post a link to the PULJ Division's YouTube Channel, and the methods by which written comments may be submitted.
- File a certificate(s) of compliance with the foregoing notice requirements with the Commission on or before the date of the hearing.

County Commissioners Meeting

Item Summary:

On September 21, 2021, per request by Kent Attainable Housing, Inc. (KAH), to Kent County, the Board of County Commissioners acted to waive the building permit fee (\$388.35), erosion and sediment control inspection fee (\$100.00), erosion and sediment control plans review (\$100.00), State Attorney General's new house registration fee (\$50.00), stormwater management review fee (\$300.00), driveway fee (\$50.00), and public water and sewer hook-up fee (\$50.00), for a total of \$1,038.35. These funds are requested from contingency to cover these costs. For the building permit fee, erosion and sediment control fees, State Attorney's fee, and stormwater management fee, KAH has already paid these fees, and the County would need to issue a refund check to KAH. For the remaining fees, the funds would be transferred to the appropriate agency.

RE: Review of Urban Small Pond Permits

Dear Mr. Miller:

After careful consideration of your request to have the County Engineer review all urban small pond permits effective January 1, 2022, we have determined your request cannot be fulfilled at this time. The current County Engineer is set to retire by year's end and at this time the County has not filled the position.

We thank the District for its dedication in preserving soil erosion and reducing run off of nutrients and chemicals into the Chesapeake Bay.

Very truly yours,
THE COUNTY COMMISSIONERS

The Honorable Benjamin L. Cardin, U. S. Senator

RE: Still Pond Coast Guard Station Park Shoreline Erosion

Dear Senator Cardin:

Kent County acquired Still Pond Station Park located at 24188 Still Pond Neck Road, Worton, Maryland, in 2003 under the Department of the Interior's National Park Service Federal Lands to Parks program. The land was formerly owned by the U. S. Coast Guard and was transferred with the condition that the land remain available for the public's recreational use and enjoyment. However, there is a long-term concern of shoreline erosion that is destroying the property and is in serious need of a solution.

Still Pond Station Park is an eleven-acre passive recreation waterfront property that boasts a beautiful view of Still Pond Creek and the Bay. The property is a peninsula, with the Chesapeake Bay to the north and Still Pond Creek to the south. The Park offers a beach area, and soft launch boat ramp for non-motorized watercraft and is currently undergoing plan development to include a picnic pavilion, restroom facility, playground and swing set in the near future. A portion of the property is still owned by the U. S. Coast Guard and is used as a small seasonal boat station from April through October. The U. S. Coast Guard still runs small boat patrols from the landing and has barracks which holds about eight crew members that rotate from the western shore.

In 2010, the County applied for and was granted American Recovery and Reinvestment Act of 2009 funding to construct offshore jetties to reestablish eroding sand beach areas and prevent further erosion of Still Pond Neck. Instead of protecting the property, however, the beach becomes smaller each year. As evidenced by the use of the County Betterton Beach Park, there is a strong demand for public access to bayside recreational beach locations in the County.

Attached are aerial photos from 1994 through 2018. The photos confirm the offshore jetties have failed to prevent further erosion. The continued loss of sand has now resulted in one section of the park's peninsula disappearing.

On the west and south side of the park, the Kinnards Point development has a boat ramp and landing. Many of the properties in Still Pond Creek have traditionally had deep water slips. With the erosion of the park property, the sand has migrated to fill in the creek channel. The property owners now must dredge in front of their bulkhead every few years, at a cost of \$14,000 each time. The landing previously had a depth of ten feet.

The County is looking for federal funding to undertake shoreline improvements to correct and restore the property so that further County investment is warranted to develop the park facilities and provide additional waterfront access to the public.

Kent County takes great pride in protecting its wildlife and waterways and providing recreational opportunities for its constituents. We invite you to visit the park and offer recommendations, and we welcome your support.

Very truly yours,
